Hi Michale, I thank you for saving me a page in your year book. You never would have thought that we would have become such close friends. I know I grew up with you but then I left. I just had to come back to the old home girls.

Boy did we share some good times together, me, you, and Vikki. Going to Berkeley all the time. We went there so much that we got sick of the place. If it weren't for you and Vikki, I don't know how I would of made it through Encinal High. The school is hell of a deal, but us three is what made it so fun.

I have had so many boyfriends this year. Its like I change boyfriends as much as I change my clothes. Some were okay and some just had to go, but believe me I had my fun.

Michale you are a darling little sweet heart and I will never forget you. You are my all cuz and soon - soon. I don't want you to ever forget the times we shared together because when we come back to our 10 yr. reunion we will laugh so hard. Remember we are the funnest and loudest cancers there are. I'm going to miss you girl... friend. Love care

Love Always Londa*

NEW ENGLISH ACTIVITIES FOR EHS STUDENTS

English and Drama, Public Speaking and French, plus Detention and Spanish were some of the many classes discovered in the academic world called "The English Department", chaired by Betty Slater. Special Education, English as a Second Language and Journalism in addition to the courses noted, were also a part of the English division. In a student body of 1100, over 1753 students filled these classes. This strange number resulted when many students took more than one class in the English Department.

The two-fold challenge that faced English students included understanding and appreciating literature as well as expressing oneself with the written word. On the appreciation front the freshmen tackled the **Miracle Worker**, while the sophomores butted heads with **Medea**, and **All Quiet on the Western Front**. The juniors read **The Scarlet Letter**, and the seniors struggled through **Hamlet**, **Paradise Lost**, and the super difficult task of writing sonnets.

The Drama class formed a new drama club, planned assembly performances, put on **The Matchmaker** in December, and **Stage Door** in the spring. Robert Moorhead hoped his dramatic stars would become so involved in the theatre that he could fantasize hearing one say: "A part, a part, my wheels for a part!"

Tom Berridge's Journalism class, full to overflowing with thirty-four students, took a challenge that past Journalism classes dared not attempt: a new school newspaper! The purpose of Journalism was to teach students newswriting and the techniques for producing a paper. A newspaper meant deadlines, and if those weren't met, a fate worse than death occurred: grades went down and that meant there went the ol' GPA and perhaps even a college of choice.

Gun control and nuclear energy were a few of many hotly debated topics in Public Speaking. Led by "Demosthenes" Norman Robinson, twenty-one students improved their

"¿Estudiaste? No, no estudie." Oh-oh! This was not the response students of Spanish wanted to give to the question. Three teachers helped 334 students learn as much Spanish as they could.

Glen Fong maintained that the purpose of his French classes was "To communicate via French." One of the highlights of the year was seeing Fong's genuine French movies. The more advanced students read the stories of Guy de Maypassant in addition to their regular tedious drill work.

hour. Detention was assigned for two main reasons, tardies and goofing off in class. Students who decided not to go to detention were suspended.

The Special Education class fluctuated in its size; it was possible to have as many as twenty-eight students per teacher for the resource program. These students could be average to above average in intellect, but needed individualized instruction to overcome a disability. "You really have a lot of empathy for the students when you try to read words in a strange language," said Patricia Pederson, leader of the Special Ed. program. A disability often found was visual perception, such as seeing an "e" as a "c", or reading words backwards. These disabilities could seriously impair reading comprehension but they were solved by many methods, one being the use of larger type in a book that read exactly the same as the book's normal copy.

In conclusion, the "trivial pursuits" of life, the job market, and the inevitability of college English classes, were some of the possibilities for which the English Department prepared students.

TAKE MATH
SCIENCE AND
YOU'LL WORK

Mind boggling word problems were served up to the 898 enrolled mathematicians. They tossed around Arabic numbers in efforts to prove they could take any math from Consumer to General, Geometry to Algebra I and II, or even advanced Math Analysis and Calculus.

Students tackled problems varying from $2a^2 + 6yx - 4a^2 = 360$, to which is the better value? A 360 gram jar of Skippy Peanut Butter at .96 or a 510 gram jar at \$1.44.

Polynomial equations and word problems hit those who took Algebra I and II. Students said Geometry slipped into both the conscious and subconscious through Alan Rebensdorfs and Max Wilde's efforts. Both learners and leannees devoted time to geometry's necessary proofs and theorems.

In Math Analysis students agreed they learned basic Trig. and Pre-Calculus concepts, and the thirteen seniors who made it to Calculus discovered those classes were taught by "Iron Hand", commonly referred to as Kathy Vierra.

Students who thought they had their math skills licked indulged themselves in the many science classes offered at E.H.S. Choices, included seven classes in Marine and plain-old Biology, Physiology, Chemistry, and Physics.

Marine Biology, which was only offered first period due to the low tides in the San Francisco Bay, featured the approach of two teachers; Jon Medeiros and James Kruse. Fifty-nine Junior "Jaques Cous-teaus" studied sharks, shells, mam-mals, plants, and various other forms of sea life. Students who took Ma-rine Biology were also required to design, create, and construct what was laughingly referred to as "Pirate Treasure" maps. They used com-passes and pacing skills to mark out distances on the football field. After the maps were constructed, the A+ maps eventually led their fol-lowers to the hidden treasures which were in reality shells, twigs, rocks, and sticks hidden under rocks, in bushes, and buried in the sand.

JEWELS, CRAFTS AUTO- DIAGNOSTICS, AIM FOR JOBS

Industrial Arts, Eugene Ford's program opened up many new perspectives. New Techniques in Auto Repairing, Ceramics, Jewelry, Wood and Metal Sculpturing, Stagecraft Production, and Mechanical Drawing encouraged students to learn the how and why of producing and creating fine arts.

Robert Ruark taught three of the most popular classes; Stagecraft, Ceramics, and Jewelry. Stagecraft was unique because the twenty-four students enrolled tackled the basics of "behind the scenes" stage production. One skill they mastered was put to good use when they were able to set up the student-body stereo system for our dances, home football games and noontime pep rallies.

Ceramics which was offered only second and fourth period, gave participating students a chance to produce tangible products instead of simply working towards a grade on a report card. All sixty students who enrolled, had to shell out six hard earned dollars to cover the cost of the raw materials necessary to produce their projects.

Beginners learned the basics of coil slaps and pinchpots. Intermediate students used potter wheels to create their inventive projects.

PRACTICALITY STRESSED IN 27 BUS. COURSES

Everyone should take a practical course! Practicality was stressed in twenty seven Business ROP division courses. From Word Processing to actually working at the "Steak-Seafood and Salad Place," The Sizzler, students learned skills that would feed them once they left home, Eugene Ford indicated as he directed the educators and educatees.

Line 240, PRINT, "How about a date?" Next line: "Explain the above!" The above was, dear reader, the basics of Computer Literacy and computer programming as taught by John Matula and Steve Capling. The three classes in Beginning Literacy were jammed with fifty students. The four Advanced Programming classes squeezed in seventy-five guys and gals, however their classwork was best viewed on their computers and not in year-book writing.

The only class of its kind in the business department to have experience on an actual job site was Food Management, taught by Terry Brandon. Daily these students were transported around town to various work locations: Sizzler, Officers Club, Le Bouc, Beau Rivage, and Pacific Fresh. Once the junior chefs hit the job site kitchen, they prepared salads, set up buffets and in many cases actually cooked meals.

Preparing foods was one thing, growing them was another. Some thirty students in Horticulture gained a better knowledge of nature and her workings as they learned the basic fundamentals of starting vegetable and flower gardens, and how to maintain them.

On completion of their courses, over 650 Jets knew that these skills in Typing, Computer Data Processing, Accounting, Word Processing, Shorthand, Horticulture and Food Management, secured them probable permanent placement in the work force and a guarantee of food on the table.

TURKEYS ADD PUNCH TO ROTC

Leadership techniques and excellent citizenship highlighted the training program in JROTC. The 171 students who participated in ROTC strove to be better citizens and well rounded people. Guided by three instructors, Sgt. Jim Gonsalves, Sgt. Edward Madsen, and Lt. Col. Al Freedman, cadets zeroed in on their drill, marksmanship, first aid, and map reading techniques.

The cadets only spent one third of their time in class. Two thirds of the ROTC program was devoted to marching and inspections. Students marched with rifles on Mondays and Wednesdays and were inspected in full uniform on Fridays by Lt. Col. Robert Saunders and Major Melissa Drost.

The program was work, yet some fun was included in the ROTC "package". A thrilling helicopter ride was offered to cadets in November by the U.S. Navy. The marching unit, drill team, and color guard participated in the Veterans Day Parade on November 11 in San Leandro.

The annual Turkey Shoot was held in November 14-17 to raise money for extras on the cadets' uniforms and a party at the end of the year. The best marksmen were each awarded a turkey.

Leadership abilities, drill techniques, perfect uniforms, fundraisers, and fun combined to make JROTC an important and outstanding program at EHS.

No NAUTILUS, BUT P.E. MAKES US FIT, FIT, FIT!

EHS did not have a family fitness center, as a matter of fact our pre-family fitness center featured, no Nautilus, but was heavy on sweat, warm-ups like jumping-jacks and sit-ups. These exercises started the students' hour of fun in P.E.

This year the students had a choice of buying a uniform or bring their own gym clothes. Although a P.E. uniform was not mandatory, students were expected to wear comfortable tennis shoes and work-out clothes that were appropriate for athletic games.

To handle 800 students throughout each day, Jerry Ludy, Keri Spaulding, Sandy O'Rourke, Dave Johns, and Mark Ironside had to be in tip-top shape. One can report: "They were fit."

Students played a variety of sports: football, softball, swimming, basketball, and tennis were in the great outdoors. In the controlled environment of the gym students attempted to keep the birdie or volleyball in action.

When spring came along, the fitness freaks took their yearly physical tests. Even though they went through the agony of running for six minutes or trying to do ten pull-ups, students came through ready to improve their fitness and still without a Nautilus! No one called the 1-800 number bar everyone recognized the truism in the advertisements, that we only have one body and we should keep it fit. As a result students admitted: "P.E. was fun for the fit."

HORIZON HAS NEW STAFF AND DESIGNER IDEAS

New! New! New! That was the story of this years Horizon Staff. With only five returning from last year, there was much to be learned by the new staff members.

Co-Editors Betty Gilliam and Alfonso Urbi had to make many crucial decisions to cut down costs due to this years limited budget. They deleted pages, and changed sections, grouping academics under departments and providing more space for photos. They also changed publishers from Taylor to Jostens to save money and for Jostens easier layout system. Even the designs were new.

Each staff member was responsible for collecting \$360 worth of advertisements to help fund the book, as well as design full page layouts. With a staff of sixteen, the work load was heavy for all.

Carrying the photographing load for this years book were Russell Hunter, Vince Pon, Dan Kreiss, David Matthews and Alfonso Urbi. Also professional photographing studio Bordanaro and Zarcone contributed, including the individual photos and Senior portraits.

With only until March to finish the book, the new staff had plenty to learn.

TWO QUALIFY
FOR NOR CAL

"Over the river and through the woods!" No it's not to Grandma's house, it's to Cross Country practice where runners log 4-5 miles a day in order to race a three mile course.

The J.V. boys were strong as they had Steve Taylor and Leonel Tuason to lead the way. By the end of the season their team standings were high as they proved to be a hopeful varsity team for the future.

The Varsity girls team contended with tough competition as they were a young and improving team. They earned a 4th place trophy at San Ramon invitational and a 3rd place victory at Antioch. Their determination to win was evident when they captured second place at ACAL League meet., and went on to compete at North section.

The Varsity boys hard work paid off with the ACAL title for the third consecutive year, after compiling a perfect record at dual meets and strong showings at their invitationals. Finishing off their season the boys placed sixth at the North Coast Section.

Chris Hoepker and Sydney Thatcher were undefeated in dual meets. Sydney won the San Ramon invitational setting a course record while Chris captured first at Antioch and Mariner invitionals. Both qualified for the Nor Cal "State meet" championships. Chris placed 32nd, Sydney 13th.

GIRLS PLAY BEST IN ACAL

Bumps, sets, and spikes were the three main strategies of this year's volleyball team. Coach James Turrentine taught these strategies.

The girls learned to set up balls for spikes. An accomplishment that needed a great deal of practice in order to score in any game was serving over the 7ft. 6in. net. Work-outs were split between Varsity and J.V.'s in order to give each team a fair amount of practice.

During pre-season the teams' toughest competitor was Oakland High. Then as the season started the teams' toughest battle was against Albany High. A third top competitor, San Leandro High, left the ACAL league and moved into the Hayward District league. They were replaced by Richmond High, whom the team felt was an easier opponent. Varsity and J.V. both had a relatively good season, the nine Varsity ended with a 7-3 record and the eleven J.V.'s finished with a 6-4 season.

In the play-offs Encinal placed third and battled Albany High. The girls played to their best, but weren't able to overcome Albany's desire and push to make it to North Coast. And Albany did make it as they beat Piedmont High for that honor.

The best part of the season came with the recognition of Claudia Cavanaugh who won the All League Player award and Gemma Kim, who won the All League Honorable Mention award.

GIRLS TENNIS SPLITS SEASON

Visions of victory danced in the heads of the girls tennis team as they planned to annihilate their ACAL opponents. Seven new girls joined the team and Coach Sandy "Smash" O'Rourke had "a year" of experience coaching EHS tennis behind her.

Cherie Smith and Neeta Chakredeo returned to tennis as the number one and number three singles players. Susan Cohen and Stefanie Biba, both new-comers, tested their playing ability and were ranked two and four singles players. Debbie Kruse and Heidi Groff aced their tennis techniques as our number one doubles team. Cecile Maganon and Becky LaCroix vollied for the number two spot, while Jackie Wong and Lynn Ordonna served as the number three doubles players.

Behind its glamorous exterior, tennis proved to be a rough sport with its ups and downs. The afternoon our team beat Albany on their home courts our van broke down and the victors had to wait-out repairs and a late arrival home.

Their record of 5 and 5 was partially achieved because Coach O'Rourke inspired the team to top flight play when she challenged the players to score one victory over powerhouse Piedmont. Debbie Kruse and Heidi Groff proceeded to take up the challenge and beat Piedmont 13-11 in their best match of the season. Coach O'Rourke then paid off her challenge and treated the team to spectacular sundaes at Fenton's to celebrate the victory and the end of an exciting season.

G ROUND GAINING MACHINE SCORES BIG.

According to Mark Ironside, the 1984 Frosh Football team was the best freshmen team Encinal fielded in a long long time. According to the freshmen players, the team's success was due to Coach Ironside's hard work and dedication to the freshmen team that made this season such a good one.

In all, the reason the freshmen football team did so well during the 1984 season was teamwork. Joe Viloso, quarter back, coordinated the team's efforts into a mobile ground gaining machine that scored a total of 111 points for the season. Gary Reposa, line backer, averaged ten tackles each game and Rod Burge, running back, averaged almost one hundred yards a game and he also scored eight touch downs for the season. Ed Kries's superior blocking opened the way for the TD's. In retrospect the "frosh" were a scoring machine that gave great promise for future varsity victories.

JV'S STOP OVER 8 FOES

Some people predicted that Encinal's Junior Varsity football team would become the future "North Coast Champions." However, the future was not the 1984 season. In '84, the Junior Varsity football team won eight of ten games including six shutouts.

Coaches Don Grant and Chuck Feeley combined coaching skills and talents which developed twenty-three players into an awesome coordinated "Jet Wrecking-Machine." Eric Bustos, linebacker, came up with the most tackles during the season but Larry Reposa had almost as many. Bustos, number 50, also blocked a punt and made off with a touchdown against Arroyo. The offense also scored with the plays of Doug Francis, quarterback, and Jason Bessard, runningback, who ran away with the most touchdowns honors. Receiver Kelly Robinson even moved up to Varsity before the season was over. Many of their teammates felt that Bessard and Robinson's combined talents enabled them to make their opponents end zone their second home.

Defense was good, as a matter of fact six shutouts tells the tale of a super defensive unit. When asked, the players responded that Chris Carter, defensive tackle and Mike Lutz, defensive end, helped power our "steamroller" defense which made the six shutouts possible.

TOP: CARL SMITH runs for a twenty-seven yard touch down. CENTER: Jet Defense, ready to blitz. BOTTOM: Ed Acmoody, Lee Dexter, James White, Bob Posadas, and Eugene Manzano anticipate a touchdown.

JETS WIN ACAL; 8-3 OVERALL

For the second straight year, Encinal's varsity football team won the ACAL crown with a perfect league record and an impressive overall of 8-3. The Jets completely dismantled any ACAL opponent, including Alameda, by scoring 244 points and giving up only 15.

The big Jet defense, which gave up an average of only 8 points a game, included Tim Fisher, Junior Osoimalo and Alex Jackson up front, combined with Cornell Childs and Jesse Mims deep. The Jets led all of Alameda County, not just the ACAL, in total defense.

The offense was led by QB Dave Rider and the abilities of four running backs; Jesse Mims, Blaik Nichols, Bill McGovern, and Larrie Carr. Cornell Childs and Carl Robertson were Rider's favorite targets when he took to the air. The Jets piled up 3,165 yards over the season; 2220 on the ground and 945 in the air.

Encinal's hopes for a North Coast Section title ended in the first round of the playoffs on Friday, November 16. The Jets winning touchdown was called back due to a controversial penalty.

SLOW SEASON BUILDS BASE

As coach Zeragosa shouted out terms such as; Layups, Jumpshots, and Rebounders, the eight girls on the Basketball team at EHS tried their best. Looking back only two players returned to the squad from last year's team and the lack of experience plaques the players all season.

There were some high points in the season. Robyn Crispi proved to be the top scorer with 280 points. She also had the most amount of rebounders and was voted "Best All Around" by her teammates. Rhonda George and Cherie Smith turned out to be the two with the best ball control and the most assists.

The memorable game of the year was when the 'Jets' took over Albany with a score of 55-17. This was also their greatest number of points scored during the year.

The experience and training received by Robyn Crispi, Rhonda George and Aunda Mason would help in the future. These players will form the base of the 1985-86 squad.

COMPETING JV BASKETBALL PLAYERS GOAL

In almost every game played, no team member was spared on the bench. The Boy's Junior Varsity Basketball team had eleven competitive players. It was no easy time for any of their opponents. The team had five freshmen, four sophomores, and two juniors plus two new coaches, Dennis Young and John Reedy. Both coaches agreed that although the team was small, the players were quick.

At publishing time, the pre-season was over. JV's had one win under their belt. In spite of some losses, "the team never gave up" said coach Dennis Young.

When asked about offense and defense, teammates responded that guards, Scott Rapposelli and Doug Francis protected the basket well. Moreover, the forward twins, Johnell and Cornell Miller played with talent. Another member mentioned was Kendle Koffier, who played all positions as needed.

Practice was a major part of the team's curriculum. In fact, they practiced two hours each day, five days a week and over a period of four months; that's about 160 hours of practice during the season! And if that wasn't enough, each player participated in every game and they gained experience with competition. The JV's were competitors!

WRESTLERS WIN CENTRAL CONFERENCE

At 9-1 and Central Conference champions, the EHS Jet wrestlers continued a winning tradition on the mat that Encinal has had for two decades. Team captains Frank Smith and Sean Hedglin guided the team to its second best record in Encinal history.

Coach Mark Ironside singled out the outstanding wrestling of Dave Hedglin, Peter Caponio, Aaron Robles, Jesse Tautalatasi, Sean Hedglin, and the most improved wrestler, Dan Thaxton.

Encinal's one loss resulted when the flu crippled the team during the week of the De LaSalle meet. The bout was held in the EHS cafeteria due to a basketball shooting contest in the gym.

As the scoreboard indicates, EHS had little trouble with most opponents, but had one close call. Castlemont, Salesian, and DeAnza were blowouts, but the Albany meet came down to the last match.

21 EHS GIRLS

The girls Soccer team, consisted of Twenty One girls. The line up included only three returning starters from the previous year. They were Debbie Kruse, Michelle Parzin, and Nancy Lloyd.

Because of the new Boys Soccer team, James Turrentine was no longer able to coach the girls team. Team captain Debbie Kruse worked along with former alumni Judy Kwan, who coached the 1985 season.

Neither rain or shine, kept the twenty-one dedicated girls from practicing. Sharing the field with the Boys team wasn't easy, but team members were still able to get in lot's of practice time. Practices were held on the Willie Stargell field from 3:00 to 5:30 daily, and from 10:00 to 12:00 over Christmas vacation.

If you liked to run, then Soccer was the sport for you! Coach Judy, led the girls through the running, sprinting, and Indian drills, for both the offensive and defensive players. Workout started out with four laps of track. Altogether the girls ran an average of eight laps daily.

SWIMMERS ENDURE COLD WORKOUTS

Where could you have seen 13 students sharpening their swimming skills at six O'clock in the morning? At the Encinal swim team practice, of course. Three days a week, under the watchful eyes of coaches Mark Canepa and Keri Spaulding, the dedicated swimmers would swim for several hours before school, in addition to their daily afternoon practice.

Coach Ganepa competed at Pepperdine University and then transferred to Cal-State Hayward, where he swam successfully on their team. He also coached the senior citizen's swim team, the Alameda Alligators.

Through participating in outside leagues and long hours of practice, Ray French and Marshall Haines were the most promising male members. Stacy Leuschner, Mary Johnson, and Lisa Gallagher were among the most promising girl swimmers.

According to Coaches Canepa and Spaulding, they had plans to upgrade Encinal's Swimming Program, so that with dedication and good leadership we will be able to challenge any team with successful results.

Boys Track was coached by Don Grant, Joe King, and for the first time, John Neugen, an Encinal alumni. The team had many new faces in with the old. There was Larrie Carr, running the 880 relay, John Fritzler, hurdles and long jump, Richard Faulker, shot put, Alvin Picketay, hurdles, 440 and 880, and John Lee and Chris Hepker, running long distance.

Most of the men were in shape because they had played one sport prior to track season, but the team gained an early start practicing the first week of February. The first meet was scheduled for the end of March so most of the practices were dedicated to the finer points of track and field events. The relayers practiced passing the baton, the discus throwers on how to reduce wasted motion and the long distance runners practiced how to out psych the other runners. The team had their goals set high for the ACAL and North Coast Section.

NEWCOMERS BUILD EHS SOFTBALL TEAM

Five veterans and fourteen newcomers made up the starting line of the Girls Varsity Softball team. With bad season weather, like rain, practice sessions were hectic. However, Coach Dennis Young made sure that neither rain nor snow could stop the vigorous, hard training which were two hours a day, and eight hours weekly.

The team's ability and determination proved to be a strong force against their opponents. Veteran players Claudia Cavanaugh, Rhonda George, Jane Dalisay, Sheri Smith, and Ladena Kellar were on hand to lend their experience and expertise to the Jets.

Pre-season games started off on a good note. Against St. Elizabeth, Claudia Cavanaugh pitched a no hitter striking out five and walking ten. Rhonda George as catcher, threw out four runners who tried to steal bases. The Jets beat St. Elizabeth 18-5.

With five returning players from the '84 team and several new determined players the girls were favored to capture the ACAL title.

J V'S START SLOW DUE TO NO UNIFORMS

At publishing time the Junior Varsity Baseball team's final standings were yet undetermined.

The team got off to a slow start losing to Tennyson. Some of the E.H.S. players said the slow start was because they couldn't wear their uniforms. The Encinal players were not allowed to wear their uniforms, because Tennyson did not yet have theirs.

Coach Robert Rose was sure that the J.V. team, behind the pitching of, Michael Rice, Drae Mirns, and Scott Rappaselli was expected to make North Coast Baseball Championships. Leading hitters were Chris McCall and Derrick Thompson, while an excellent defense comprised of the entire team, also did the job.

SPLIT PRACTICES FOR BASEBALL

The Encinal Varsity Baseball Team started off its season with four returning Lettermen on a 16 player squad. These four devoted players were All ACAL outfielder Darryl Berlin, Joe Ravey, Troy Canalin, and Eric Bradley.

Due to the weather a couple of the games were cancelled but this did not put a hamper on the team's enthusiasm to play. For when the sun came back out, they were back on the fields hitting, throwing, catching to the best of their abilities.

At 3:15 everyday the team hit to the fields to sharpen up on their skills. But in order for Coach Tim Marr to teach the basic skills of the sport, he had to split the team into two: Infield and Outfield. The Infield practiced on the Willie Stargell Field and the Outfield practiced at Washington Park.

All in all the year was a learning experience for the young team as well as for the Coach.

SMASHING SEASON FOR BOYS' TENNIS

Smashes, slams, and hard-to-return serves were some of the techniques the Boy's Tennis Team used to clobber their opponents. Five returning players helped lead the team in the eighty-five season. Most of the returning players agreed that these fourteen players were even better than last year's team. Their new tennis coach, Roger Young stressed long practices, conditioning and challenges among the players so that each player's sense of competition was sharp and strong.

The first five positions were held by Jeff Sapida, Debon Calixto, Soso Tam, Ben Pham, and newcomer Bill Marder. Doubles teams included the first ranked team of Vincent Pon and Mark Carney, second in the line was the team of Jimmy Vorasoph and Chelito Marcado. Vince and Mark were best known for their down the alley shots while Jimmy and Chelito downed opponents by serving bullets.

Aggressive Boy's Tennis was demonstrated when at the first game when a good San Leandro team squeaked by Encinal with a four to three edge. However, Hayward High, the second opponent, fell five to two when Encinal netmen proved practice on hard-to-return serves, slams, and smashes paid off.

SPRIT CAMP BUILDS SQUAD

The Varsity Spirit Squad of 1984-85, which included six cheerleaders, and five pom-pom girls, helped the crowd cheer their team on through victory and defeat.

Beginning practice as early as last summer in June, the girls began to learn routines and practice cheers. They began to prepare for the USA Spirit Camp, that was located in Sacramento. With Head Pom-pom; Julie Meagor, and Asst.; Debbi Rivera, leading the songleaders, along with Head Cheerleader; Lisa Tramble, and Asst.; Kathryn Sanchez, they practiced three to four hours a week, five days a week.

At camp, all the hard work and dedication payed off. They returned home with new cheers, new routines, two superior trophies, a spirit stick, and plenty of blue ribbons.

The Varsity Squads had a lot of fun cheering, and putting on Pep Rallies. They did the best job they could do dressing up in a number of different costumes, such as their pajamas, the 50's, thugs, breakers, and they also showed their school involvement as they participated in Hat Day, by also wearing their crazy hats.

During October, they introduced a new fundraiser, a Halloween treat called a Boo Bag. The sale turned out to be a good idea. The students here at E.H.S. seemed to enjoy their "tricks or treats!"

A THLETES TAKE HONORS ALL LEAGUE

As in years past, Encinal was a school mentioned often when it came to the all-league selections for outstanding individual performances.

The fall sport season started out with our varsity football team reaching the playoffs for the second straight year. Five members, Richard Falconer, Cornell Childs, Jesse Mims, David Rider and Junior Osoimalo, were named all-league.

Encinal sent two members of its cross country team to the state meet. Chris Hoepker and Sydney Thatcher demonstrated their flying feet to schools throughout California.

Four members from the Jets' basketball squads, two male and two female, were honored with all-league selections. Robyn Crispi, Cherie Smith, David Rider and Cornell Childs were chosen as the elite of their teams.

As a climax to the winter sports, the Jet wrestlers took first place in the newly formed Central Conference. Richard Falconer and Sean Hedglin were honored as the best.

EHS ANNUAL BLOOD DRIVE

Thermometers! Blood Pressure Cuffs! Hypo-dermic needles! Was this an episode of General Hospital or was it just an average day at the Alameda Hospital Emergency Room? It was neither. It was the bi-annual blood drive that Encinal High School presented for the seventh straight year in conjunction with the Alameda-Contra Costa County Medical Association.

Eighty-four students donated their blood on October 3, 1984 from 8:30 in the morning to 2:30 that afternoon. This turnout of students tied last fall's turnout, but was almost twenty students short of last spring's showing. The reason for the drop in participating student's was more of them become seventeen years old in the spring. The donated blood was distributed to thirty-four hospitals for needy people.

Registered E.H.S. students were not guaranteed an opportunity to give blood, but were guaranteed the opportunity to be tested for blood donation ability. First their temperature was taken then their pulse was checked. Right before the donation, the person's pulse was checked for the second time and their blood pressure was taken. Even if a student passed these tests, some were still turned away because of an iron deficiency, recent illness, or newly pierced ears. The majority of students who were allowed to donate blood were satisfied with possibly giving another person a new lease on life.

FAR ABOVE LEFT: Steve Dos Santos secretly apprehensive, enters the career center to show his semi-fearless approach to giving blood. FAR ABOVE RIGHT: Was Alfonso Urbi caught red-handed with purloined carmel sucker? CENTER: SHARON BLEUMLE can't figure out how to spell relief. HAT DAY: DOUBLE TAKE! GIRLS

Hats made a tremendous comeback in the fashion world and Encinal students had a chance to be "a la mode" with the introduction of Hat Day on October 26.

The festivities included a cheerleader pep-rally at lunch and contest to see which student came up with the most creative and original hat. About twenty people were volunteered into the contest by their friends. Chelito Mercado burned everyone with his "fireman's hat" complete with flashing lights and an electronic siren. He won a 1985 yearbook.

The most favored hats worn were baseball hats, fisherman hats, cowboy hats and berets. Those who chose to be different wore dunce caps, huge sombreros, hats topped off with basketball hoops, and even hats shaped like chickens. That all time favorite, the "newspaper hat", was worn by students who refused to spend money on non-essentials.

Hat Day served two purposes: first, it advertised the Sophomore's Third Annual Maddhatters Ball held the same night. The second purpose of Hat Day was just for fun and to build spirit. Hat Day was simple and brought out both creativity and school spirit. The day was such fun that Leadership and students in general hoped it was the start of an annual tradition.

GET CRAZY— MOGULIZED AT TWO DANCES

The opening dance, held September 21, gave EHS students a chance to follow the theme "Let's Go Crazy". Students filled the gym from 7-10. The dance was so successful it brought Leadership a juicy profit of \$2037, due in large part from a five dollar entrance fee for students without a student body card. Leadership even sold student body cards at the door.

The crowd danced to "Prince" and soul songs spun by DJ Rod Saunders. Leadership students also brought in their own music which offered variety to the songs played.

The Sophomore's Maddhatter's Ball followed in the footsteps of previous sophomore classes for the third year in a row. The dance took place on October 26 from 7-10 in the gym. It was not as successful as the opening dance, even though the Sophomore's introduced a live band, "Mogul", and had lots of publicity from Hat Day. The class of '87 only brought in \$327 dollars at the door. This small sum was attributed to the introduction of "guest passes."

For those who attended the dance, the novelty effect of a live band was different as their music combined rock, soft rock, and soul. Admission was \$5 without a hat and \$4 with one. Many of the dancers wore the same crazy hats they wore during Hat Day which added to the theme, the atmosphere, and the fun. The Madhatter's Ball was a perfect ending for Hat Day.

SOPHS GO
WITH "SURFIN"

Surfin' Safari was the Spirit Week theme for the Sophomore class of 1987. Their Spirit Week color was purple. They thought their image was "movin'". Even their hall decorations were purple. All week the Sophomores even pranced and sang in their purple decorated halls. They took second place overall during the week's activities.

Fund raisers were of great importance. During the 1984-85 year, the students worked at selling candy. The sales featured; m&m's lollypops and various candy bars. All together these sales brought in a profit of \$300.

Everyone knows that kids can't wait until they're old enough to drive. As the older student said, "The fifteen year olds have to feel for the wheel." Sophomores were allowed to receive their driving permits at the age of fifteen after they had completed their Driver's Education Class at EHS.

The Soph Hop theme was "The Madhatter's Ball" for the third straight year. Guys and Gals who wore hats received a dollar discount when paid for their entrance fee. With the New Wave band, "Mogul" the hop jumped-Mogul played great tunes from every type of music; New Wave, pop, rock and some soul. After paying the band, the class had \$327 of profit.

JUNIOR DANCE BIG ATTRACTION

Juniors multi-faceted groups of young men and women had interests that ranged from intellectual pursuits, fund raisers, school spirit, and just being friendly.

With many activities in school, some who pursued the intellectual goals studied and strived on to prepare their way to college. The creative ones exhibited talent and spirit by their dress for spirit week and Halloween. Students who were involved with the community helped support the "Toys for Tots," and the canned food drive for needy families at Christmas time.

As the juniors struggled through the year, they squeezed time aside to hold a candy sale and profitted by about \$250. Their class dance was "the" spring attraction. The class theme for spirit week was "Juniors go Disneyland." Disney characters littered their hall; the favorite of course, was Mickey Mouse. The class skit, however, hardly Disney but pure Encinal as they sang the "Victory Song" to make fans rowdy for the big game. Overall the juniors came in third for the spirit week hall decorations, class skit, and noon activities.

Many juniors were busy with school, but they caught the title of friendly, intellectual, spirited fund raisers.

SENIORS HOT DOGS EARN \$

Financially the senior class started out with \$3215.00 and by January that amount reached \$3958.35. The best profit producing fundraiser was a "hot dog and Coke sale" which was promotional gimmick for a Safeway super sale. Coke provided the hot dogs, the Seniors provided the "people power" and earned a profit of \$450.00.

Other fundraisers included the traditional spaghetti feed, which netted \$168.35. A balloon sale at the big game and a mistle toe sale just before Christmas enriched the Treasury with another \$125.00.

Alfonso Urbi started the fall semester as President of the class but work forced him to resign his office and Vice President Betty Gilliam capably took over.

It made little difference if one was a class officer or not, if one was a senior he or she looked forward to Senior Activities such as: the Sadie Hawkins dance, the Senior Assembly, the Senior Banquet, the Junior Senior Prom, and most of all a June graduation.

logo took about two hours of work, and 875 cups. Blue and white streamers were added as a special touch.

Encinal's side of the bleachers was decorated with blue and white streamers wrapped around the railings and a "BIG BLUE WRECKING CREW!" sign painted in bold black letters on white butcher paper. The sign stretched across the bottom of the stands and helped to get the crowd spirited for the game!

Cross town rivals- Alameda High's bleachers were adorned by our leadership class with yellow and white streamers. The "WELCOME HORNETS" sign was made from large squares of yellow paper, with black letters spelling out the message. The decorations were so good that some Alameda students agreed that the "Jet Welcome" given the Hornets was nothing but "classy."

TRADITIONS BROKEN IN '84 HOMECOMING

Traditions were broken in 1984. First, the big game spirit assembly was held the day before the big game, and that allowed presentation of the Varsity Football team at the assembly. Secondly, the Homecoming Court was also presented. Each girl and guy who was elected runner-up received roses and a sash of office. Finally, the King and Queen were crowned.

Two weeks before the assembly, the Seniors picked thirteen nominees for King and thirteen for Queen. The students voted and selected the top five. In a second vote, the students picked those who were runner-up and the King and Queen from the top five. At the assembly, the court included: Tom Lopez and Christina Monzona as Fourth runner-up; Rod Saunders and Mary Johnson as Third runner-up; Dave Rider and Emily Peterson as Second runner-up; Darryl Berlin and Dioni Perez as First runner-up; with the announcement of the First runner-up couple, the tension was broken and everyone knew that Rudy Galera and Julie Meagor were King and Queen.

On Friday the Jets crushed the Hornets, 40-9. Victory night's celebration filled the gym with 250 students at the Homecoming Dance. The members of the Homecoming court were an added attraction as they danced in the spot light to "Penny Lover," played by Sound Enterprises. If profit was the gage of success, then the Homecoming Dance was one "GREAT" success as it earned \$750.00 after expenses. The greatest success of all was an outstanding spirit week, a fine Homecoming, and a super football victory.

BIG GAME DRAWS OVER FLOW CROWD

Big Game fever drew an overflow crowd to the Willie Stargell Field, which was in respectable condition after Thursdays downpour. But the weather for the 30th Annual "BIG GAME" was a perfect Fall day. On November 10th starting at 1:30 the jets won the title ACAL game over the Alameda Hornets.

Even though Alameda managed to pull ahead in the first quarter, the Jets fought hard to comeback and put an almost unreachable lead on Alameda. Which was proven when Encinal won the cross city battle, with the overall score of 40-9.

With Carl Robertson scoring the first touchdown when receiving a clear pass from David Rider, Encinal jumped right out in front, starting off the game good. With the Jets strong line-up, the team successfully won the championship for Encinal High once again. With this win it enabled them to go to the CIF playoffs.

SENIORS MAKE MEGA-BUCKS

The Annual Sadie Hawkins Day Dance sponsored by the senior class was pronounced a resounding success by the senior officers. The dance, originally scheduled for February 15, was rescheduled for February 22 because of the Alameda-Encinal basketball tournament. Approximately 250 people showed for the yearly event and provided the senior's with a profit of \$575. The cost was: \$6.00 for couples, \$5.00 for couples who wore matching clothes, \$4.00 for singles without student body cards, and \$3.50 for singles with student body cards.

The D.J.'s, Creative Madness, kept the Encinal High School auditorium swinging from 7:00-10:00. When Students got tired of dancing, they could pick out a part-time fiance' and get married by the honorable Shannon Phillips or Reverend James Cameron. What was noted as a good sign for the future was that although the marriage booth was a great success, the divorce booth was only visited by a small number of couples.

NEW TRENDS IN FASHIONS RAGS/RICHES?

A sharp lookout for new trends in fashions gave an idea of new and old wonderful discoveries. Some of the styles featured the ever popular look of G.Q. and Vogue, along with the racy, lacy creations of Madonna, and Thrift images. Plus, a highlight was the designer jeans labeled as "GUESS". Their brand names were not so new, but its attention among the students picked up greatly and quickly.

Laces, 50's dresses, and old rum-maged clothings, were influenced under the categories of Modern European dressing. A quick glance in an antique clothing store could set out to be a new outfit to add to the wardrobe.

An essential ingredient for the finished look of new or old outfits included the accessories of rhinestone jewels, zany, wild earrings, Swiss Swatch watches or unusual watches and the sporty, athletic Reebok shoes. All these were placed and fitted to peoples own and unique combinations.

New hairstyles, used clothes, new clothes and vital accessories, either lefted a big dent in the wallets or saved some a few dollars. All in all clothes and personal needs were an important role in fads and fashions for 1985.

Once again the Booster Club was hard at work raising funds for the Athletic department. A lot of time and energy was invested in organizing fundraisers for the entire year. Nick Cabral, Diane Bustos, and Bette Johnson led the Tuesday night meetings that were held in the faculty room. Retiring after five years, Nick Cabral decided to leave his position of President and he turned it over to Diane Bustos.

Their first fundraisers were held early in the fall. The Boosters sold refreshments at all home football, basketball and wrestling matches.

The Booster's dance was held in the EHS gym, with Rod Saunders as the D.J. The admission was \$3 W/S.B. and \$5 W/O. The dance was a big success with 350 students who came.

Later in the year the Super Bingo was put on at the Alameda Boys Club Feb. 18. On March 21, was the Flower Arrangement show. They taught the techniques and secrets of arranging and displaying flowers. The year ended with the Annual Wine Tasting night, on April 18th. Overall the year was great for the Booster Club. The time and effort was appreciated by the Athletic Department and those affected.

In the Science and Computer Club, members not only learned about physics from sponsor John Matula, they were also taught Pascal by fellow students. Contrary to current gossip that claimed Freak-o-Frankenstein experiments and computer hacking were members' interests, the club got together twice a week, to really discuss everything from trading programs to designing bridges.

¿'Habras español? Sí? No? If "sí" then Spanish Club was the place to be. Fourteen members (some not Spanish speaking) joined together to bake themselves in the culture of the Spanish speaking world once a week. The highlight of the year was dinner at "Casa de Ava" where member had a first hand taste of fine Mexican food.

Our one-hundred-fifty member Ski Club sponsored three trips this year, one to Alpine Meadows, one to Squaw Valley, and the other to Kirkwood. To pay for their trips, many members washed cars and sold candy, others just paid in full. Fortunately for them, each trip featured great snow and sunny days.

Each Friday at noon, the Auto Club met. The Club was special in that members worked with each other on their cars. President, Tom Lopes said their method of fixing cars was the "scientific way" and there really was no auto-parts auxiliary known as "The Midnight Auto Wreckers and Service Co."

HOLIDAYS; EHS CUSTOMS

The three major fall holidays, Halloween, Thanksgiving, and Christmas added some fun and "spice" to the hard work of the first semester.

Halloween brought out the traditional ghosts, goblins and witches in the student body, but some people decided to be creative and came to school dressed as pumpkins, Robin Hood, and girl football players. The prize costume of the day was worn by Lisa Gallagher who disguised herself as a jellybean jar.

Thanksgiving was celebrated with the American spirit. The smell of turkey, pumpkin pie and cranberries engulfed the halls on party day. Most families hopped over to grandma's house in the family station wagon to celebrate the holiday.

While Halloween and Thanksgiving were important holidays, Christmas topped them both. Most stores whisked their turkey-day merchandise out of the store the day after Thanksgiving and piled their shelves with Christmas items. "Rodney Reindeer" by Hallmark, was one of the best selling items on the market. The song "Grandma Got Run Over by A Reindeer" soared to the top of the charts and was even heard during lunch at EHS. The Canned Food Drive, put on by Leadership, was successful as students tried to help the starving people in Ethiopia. Toys for Tots enabled everyone to bring in their unwanted and unloved toys so other children could enjoy them.

MATCHMAKER

AN 85 SUCCESS

Drama returned to Encinal in 84. The Matchmaker pulled in the greater number of aspiring actors and actresses since the Smilin Through casting call in 82.

The first day of try-outs featured individual monologues, the second day had readings from selected scripts. On the bases of these performances, director, Robert Moorhead, selected seventeen thespians for the role in one of America's most famous comedies "The Matchmaker," better known as Hello Dolly.

Rehearsals were held on Mondays thru Thursdays for about two hours for seven long weeks. As the play grew nearer and nearer its time, cast members became more and more nervous. By December fifth and sixth, opening nites, the performers had perfected the play.

When the show was over students felt that Nancy Fortune (Dolly Levi) deserved to be classified with the all time great Dollies: Carol Channing, and Barbara Strisland. Jim Cameron portrayed the blue ribboned performance of Horace Vandergelder.

Tickets were sold at the rate of \$3.00 for general and \$2.00 for students. The Drama Club also sold refreshments that they brought for intermission sales, which gave the club a total profit of \$500.00. All the hard working money was donated to The Fine Arts Fund.

You'll Never Know

You gave me my wings
And taught me to fly,
You didn't hold back;
You showed me the sky.
You gave me the world
On a silver tray;
You taught me of love
And the games people play.
You gave me the strength
To stand alone
And all of the confidence
To make it on my own.
You gave it all,
But you'll never know
Just how much
You helped me grow.

Dearest Michelle;
You a wonderful and funniest girl I ever
met. You make everyone happy. It's been nice
having you on Word Processing class. Stay sweet
just the way you are. I wish you all the best
in the future. See you at graduation. Seek the
truth and believe that God is alive, everything
will be a blessing in your life. Take care of
yourself. Good ^{luck} to the coming marriage. I
know someday you will find the right man
that will make you happy. Keep in touch. I
hope will see again in the future. I will
see in class reunion ten years from now.
Enjoy your life while your young.

Love yah!

 Michelle
 So you finally made it. I guess you'll still see me. I wish the best for you in the future. If any-
 thing a wonderful person. Say that way! Well I also forgot to say I hope someday you meet a wonderful guy, and he gives you every second! I promise? Anyways see ya. Glad you made it!
 Like a virgin! Cha! ha!
 Love always (friends) Anne
 Michelle
 to go to your party. I decided about your date. I will see you all the time in the future.

Michelle
 We'll we've progressed from two little knothed kids on big wheels to full fledged high school graduates. It's been fun knowing you all these years. I wish the best and I'll see ya at our reunion
 Love

Michelle
 WHAT CAN I SAY? YOU'RE SUCH A GREAT GIRL! HOW HARD CAN IT BE TO SAY GOOD BYE? GRADUATION, THE PROM, THE BACCALAUREATE ARE NEARLY ALL MEMORIES. I'LL MAKE THIS SHORT AND SWEET. NEVER FORGET AND GOOD LUCK. ROBERT AGILLE
 (CHECK OUT MY PICTURE IN THE FRONT. I'M HIGH!)

Dear Michelle;
 Though I didn't get to know you too well this year, I always saw you in your purple outfits and 4-ever talking about Prince. Journalism was boring wasn't it?

Michelle dear,
Congratulations! I can't
believe tomorrow is our graduation.
Well, easy come easy go. It seemed
the 4-years we spent here in
Criminal high went real quick.
I had fun, did you? Well,
I wish you the best of luck that
God can give. Always think
positive and remember that. I
hope the things you have
will come true. Please take care
of yourself and I hope to see
you as the years go by. I love
ya! see you at our class reunion.
